Service Support

SALIENT FEATURES

Constant output voltage	Output wave filter, suitable to run computer
Automatic overload resetting	Electronic overload & short circuit protection
Crystal control frequency	Enhanced battery life due to special charging circuit
Latest mosfet based design	No hissing noise in fan & tubes during inverter mode
Efficiency 90%	Fast Charging Circuit

How much power do you need

● Fan	80 Watt	● Cooler	400 Watt
● Tube light	60 Watt	● Computer	300 Watt
● Colour TV	120 Watt	● VCR	60 Watt
● Iron	1 KW	● Mixer	400 Watt
● Bulb	Actual Watt	● EPABX	100 Watt

An ideal power Source during power failure

BATTERY SELECTION

500 Watt	12 V
625 Watt	12 V
1000 Watt	24 V
1250 Watt	24 V
1500 Watt	24 V
2000 Watt	36 V
2500 Watt	48 V

For 2-3 Hours

1x120 Ah
1x135 Ah
2x120 Ah
2x135 Ah
2x160 Ah
3x160 Ah
4x135 Ah

For 3-4 Hours

1x160 Ah
1x200 Ah
2x160 Ah
2x180 Ah
2x220 Ah
3x200 Ah
4x200 Ah

Other Utility Products.

❖ Automatic Water Level Controller ❖ EPAB System ❖ CCTV Camera ❖ UPS System
